

Program

Annual Club
Championships

June 9th 2018

Welcome

to the 41th Shirley Pool Annual Swimming Championships. There are 97 races tonight, with more than 170 swimmers taking part, aged from 5 to 15. Swim school children will compete over 25m sprints, and the Dolphins over 50m.

All swimmers will also receive a special medal tonight for swimming in the Championship Gala which they will be presented with as they leave.

Medals will also be awarded to the fastest six swimmers for swim school and fastest three swimmers in Dolphins in each age group, boys and girls. In some age groups, where there are more than 8 swimmers, there will be heats rather than a straight final. In those cases, the medals will be awarded for the fastest times across the heats in the age group.

The results will be ready within a day or two at the pool and on the website www.shirleyswimmingpool.co.uk

The children can change once their last races are complete.

Thank you for coming and supporting this evening's gala and for continuing to bring your children swimming regularly. We know you will be proud of your children's efforts and hope you enjoy the evening.
